STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have 'sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit

taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest.

SAYS VOTERS MUST EXHIBIT RECEIPT

Attorney General Writes of Richland Election. Sections Reconciled. Columbia, Jan. 3.—Attorney General Peoples in an opinion rendered yesterday held that voters must show proof of having paid all taxes for last year in the special election next Tuesday to select a successor to the late George R. Rembert in the house from Richland county.

"Construing all of these provisions," says the attorney general, "I am forced to the conclusion that in order to vote in the special election referred to, the voters should show the payment of all taxes, including poll tax, assessed against them during the year 1913."

The opinion was given in response to a letter from John T. Miller, member of the house from Richland county.

Following is the opinion of the attorney general:

"January 2, 1914. Mr. John T. Miller, Member House of Representatives, Columbia, S. C.

"Dear Sir: I am in receipt of your request for an opinion as to the qualifications of voters in so far as the payment of taxes is concerned who desire to vote in the special election to be held on the 6th day of January, 1914, to fill the vacancy in the house of representatives from Richland county.

"Section 4, article 2, of the constitution, prescribes the qualifications for suffrage, Subdivision A of said section refers to the residence of voters and provides as follows:

"Residence in the State for two years, in the county one year, in the polling precinct in which the elector offers to vote four months, and the payment six months before any election of any poll tax then due and payable. Provided, That ministers in charge of an organized church and teachers of public schools shall be entitled to vote after six months' residence in the State, otherwise qualified."

"Subdivision E of the same section provides as follows:

"Managers of election shall require of every elector offering to vote at any election, before allowing him to vote, proof of the payment of all taxes, including poll tax, assessed against him and collectible during the previous year. The production of a certificate or of the receipt of the officer be conclusive proof of the payment thereof."

"You will note that there is an apparent difference between the two sections quoted; the one providing for the payment six months before any election of any poll tax then due and payable, and the other providing that the managers of election shall require proof of the payment of all taxes, including poll tax, assessed against the voter and collectible during the previous year.

"Under section 445 of the code of 1912 all taxes shall be due and payable between the 15th day of October and the 31st day of December after their assessment, in each and every year. Construing all of these provisions together, I am forced to the conclusion that in order to vote in the special election referred to, the voters should show the payment of all taxes, including poll tax, assessed against them during the year 1913.

"This view is supported by the case of Wright vs. Board of Canvassers, 76 S. C., in which the same question was before our supreme court. The election in that case was held in January, 1906, and the supreme court in rendering its opinion held that it was mandatory that every voter should, as a prerequisite to voting, offer proof of his having paid his taxes for the year 1905.

"I am therefore of the opinion, under the provisions of law above referred to and the decision of the supreme court referred to that the voters in the special election to be held on the 6th day of January, 1914, should show proof of the payment of all taxes assessed and collectible against them during the year 1913; or in other words, produce their tax receipt for the year 1913, or other proof of the payment of such taxes.

"Yours very truly,

"Thos. H. Peoples,

"Attorney General."

SEA ROVER TURNS PIRATE.

Andrew B. Nelson, Master Mariner, Arrested in San Francisco and Turned Over to Authorities.

San Francisco, Jan. 2.—A sea rover and Arctic trader turned pirate—Andrew B. Nelson, himself a master mariner and one time owner of the schooner Hera—was brought to port today in Irons, locked in the brig of the lumber schooner Williamette, and turned over to the federal authorities, who held him in \$10,000 bail on a charge of assaulting Capt. Reiner on the high seas with intent to murder.

With Nelson was brought Joseph Laramie, a bricklayer, who said he is from Shelby, Ind., charged with being an accomplice. He was held in the same bail. Neither man will admit that he knows the other.

Had Hard Fight.

Nelson was arrested Wednesday night after a hand to hand fight in the captain's cabin, which he had entered muffled in a towel, wearing a brown wig and a false mustache and carrying an automatic pistol in his hand.

Though a smaller, lighter man, Capt. Reiner took the pistol away from the grotesque pirate, who immediately drew a double action revolver. He was getting the better of the fight when two sailors and a waiter rushed into the room and overpowered Nelson. Laramie was standing outside the door while the fight was in progress.

Had Treasure Chest.

The Williamette carried \$1,500 in cash to pay her crew of 25 and there were 25 passengers on board. A launch followed the vessel, keeping distant about half a mile for some time, and Capt. Reiner believes the pirate intended to rob the safe and hold up passengers for their cash and valuables and make his escape to shore in the launch.

Although admitting his identity and history of sea faring, Nelson says he is a private detective and that he took passage on the Williamette to arrest Capt. Reiner, for whom a reward of \$10,000 had been offered. The reward is mythical and the many crimes, none of them specified, which Nelson said the captain had committed are unknown to the police.

Nelson in 1907 acquired the schooner Hera at Tacoma and went trading along the coast of Alaska.

The Hera was wrecked but Nelson will not tell when or where.
